

Police Advisor, Field-Based Interdiction Operations Advisor (FBIO)

CRC is seeking a qualified Police Advisor, Field-Based Interdiction Operations Advisor (FBIO) as part of the Central America Regional Security Initiative (CARSI). The CARSI Initiative, one of the largest and most sophisticated multi-lateral security efforts in the world, provides funding for the USG to assist the governments of the CARSI countries with police professionalization, justice sector reform, counter narcotics efforts, border security management, crime and violence prevention, and anti-corruption efforts.

Requirements:

- The Field Based Interdiction Operations (FBIO) Advisor will serve in Honduras on the full range of law enforcement issues, program management, training evaluation, and mentoring to improve Honduran interdiction capacity, protect human rights, reduce impunity, and strengthen the Honduran National Police and the Public Ministry.
- Provides security operations expertise, technical assistance, and training on behalf of INL in support of host-nation efforts to improve operations against transnational organized crime, asset forfeiture, money laundering, gang activities, drug trafficking and other major cases.
- Assists INL to coordinate program development, implementation, and reporting with Honduran entities, INL Honduras advisors and contractors and, as appropriate, INL advisors throughout the region
- Assists INL with oversight for the Interdiction program nationwide.
- Assists INL to coordinate with appropriate levels of the Honduran Public Ministry, Honduran National Police (HNP) and Government of Honduras (GOH) agencies.
- Assists INL to ensure effective and ongoing coordination, communication and support of mutually enhancing programs and initiatives in compliance with the comprehensive USG/CARSI strategy for the reduction of violence in Honduras.
- Supports, assists, and advises INL in implementing ground interdiction programs to aid the Government of Honduras (GOH) to combat crime and insecurity.
- Advises on police special operations ground interdiction program strategies and make recommendations to adjust those programs and strategies throughout.
- Evaluates training and operational effectiveness of in-country Department of State programs, with a focus on ground interdiction operations
- Assists INL to ensuring programs retain requisite operational and logistics fluidity.
- Provides advice, technical assistance, and training in support of host-nation efforts.
- Advises and coordinates activities related to preventing and reducing crime in Honduras, and improving Honduran National Police effectiveness in investigating major crimes (homicides, extortions, kidnappings, etc.).
- Keeps INL informed of activities and operations that affect INL Police programing.
- Assists INL to establish collaborative partnerships in the community between the Honduran government and the individuals and organizations they serve to develop

- solutions to problems and increase trust in police.
- Works with the other INL advisors to identify the training needs of the Honduran National Police.
- Proposes training options in Honduras, Central America or the U.S.
- Provides advice and assistance in determining requirements for technical services, training, and commodities for police operations supported by INL programs.
- Attends meetings with U.S. and host-government officials as requested.
- Suggests avenues for mid-course correction if a program is not achieving its goals;
- Attends meetings with U.S. and host-government officials as requested, including regional working group meetings.
- Hours for this full-time position will be the core hours of the US Embassy in Tegucigalpa, Honduras, Monday through Friday, 40 hours per week.
- The position will be stationed in Tegucigalpa, Honduras.
- National and international travel may be required.
- Create a work plan per the instructions.
- Provide weekly, monthly, quarterly and annual reports of relevant program activity, progress toward desired impacts, recommendations for advancing program and U.S. objectives, project highlights, and other relevant significant information including metrics, mile- stones achieved, and other relevant statistical data. Report on scheduled upcoming meetings, trainings, and other activities.

Qualifications:

- US Citizen
- MRPT security clearance
- Bachelor's degree in a related field from an accredited institution or 10 years of relevant experience.
- Five (5) years of experience in management roles that includes: strategic planning, resource management, budgeting, oversight and evaluation and active management of security operations.
- Five (5) years of experience working in international security development and training.
- Demonstrated experience in managing program resources.
- FSI level 4/4 English, FSI level 3/3 Spanish
- Demonstrated prior ability to work independently on projects and issues within overall policy guidelines.
- Demonstrated communication and liaison skills appropriate to work with a wide variety of governmental, public, and private sector representatives; as well as with local community members and groups.
- Proficient in Microsoft Office Suite

Preferred Qualifications

- Experience working and/or coordinating with other relevant U.S. government

CRC

- agencies and host nation entities.
- Experience working as a FBIO Advisor with non-U.S. security agencies.

About CRC

Crisis Response Company, LLC (CRC) is a Service Disabled Veteran Owned Small Business (SDVOSB) formed in 2009 by leaders who have captured and led numerous and recent peacekeeping operations on behalf of DoS, DoD, United Nations, the African Union, and Private Industry. CRC's leadership formed the company with a single goal to enable Governments and Private Industry succeed in Security Sector Reform/Transformation, Subject Matter Expert Manning, and Defense initiatives around the globe.
